A close-up, profile photograph of Jair Bolsonaro's face. He is looking upwards and to his left with a serious expression. He has short, dark hair and blue eyes. He is wearing a dark suit jacket, a white shirt, and a tie with a small yellow and green emblem. The background is a solid, dark grey.

Smart Cities (?)

- (all sizes and types of) cities as complex making-spaces / repair-spaces
 - Circular economy (or other shapes) + humans
 - An internet of all things (networked and otherwise)
 - Post-consumption (what happens to things after they're bought?)
 - **A commons of material resources**
-

Thank you
